Nandi Awards: Satellite Awards: How Siva Komal made a debut film with a story line based on Karthik's life came as a surprise to many people. It is said that director Siva was inspired by Karthik's fight with the Tamil Nadu Cricket Association. But what was more interesting was why he chose Karthik to play the lead role in his debut film. For this, Siva Komal has the answer. "When I heard that there were some issues between you (Karthik) and TNCA, I wanted to tell your story", says Siva Komal to Karthik. "This is because whatever happens in your life doesn't affect you much; it affects people around you." That's how 'Jilla' came about. Karthik plays a local goon for whom cricket is like his religion.
